## Re: 2023 Recommended Travel Protection Plan

**A word about nonrefundable payments:** Because travel/program payments are NOT refundable after certain deadlines, we recommend that all families consider purchasing a travel protection plan that includes trip cancellation coverage. **We are pleased to offer the optional Activity Coverage Plan for our participants.** This plan has been specifically designed to protect against many of the common risks that can arise for our participating families.

**What does the Activity Coverage Plan cover?** The Activity Coverage Plan offers a variety of benefits and coverages to protect participants before and during the program:

- Coverage for COVID-19 (see attached statement)
- \*Optional Cancel For Any Reason coverage
- \*Coverage for Pre-Existing Medical Conditions
- Trip Cancellation coverage up to \$30,000
- No exclusion for mental, nervous and psychological disorders
- Coverage for Adventure, Extreme and Winter Sports
- Security Evacuation coverage
- Travel Medical and Emergency Evacuation coverages
- Baggage Loss and Delay, including coverage for Sporting Equipment
- Trip Interruption, Trip Delay and Missed Connection

**\*Note:** Cancel For Any Reason coverage must be purchased prior to final trip payment, and may not be available in all states. You must cover the entire cost of your covered trip/program to be eligible for this benefit. The Pre-Existing Medical Condition exclusion is waived if the full cost of all nonrefundable payments are insured and the plan is purchased prior to final trip payment.
